Parish Council

The Church Car Park project was updated. The quote for tarmacking was discussed and a suggestion to move the trees to the outside of the car park wall to allow room for more cars. The Parish Council Precept has not gone up in terms of what the Council receives. However, the increase per household reflects the changes in the housing stock of the village; e.g. sole occupancy, empty house and commercial dwellings.

Devonshire Arms

Gill Clempner introduced herself to the village as a new resident who works in the pub as Assistant Manager. She lives in Rose Cottage.

The work on the new pub house is due to start at the end of the month.

Village Hall

- The Christmas Windows were very successful and will look at doing again this year.
- The Hall will be painted this year.
- Open Gardens is planned for 23<sup>rd</sup> and 24<sup>th</sup> June. The theme is the end of WW1.

Heritage Open Days

There are 2 dates nationally. 8<sup>th</sup> and 9<sup>th</sup> September and 15<sup>th</sup> and 16<sup>th</sup> September. Something will happen on Moor End but waiting to decide on whether the Heritage Group will do something.

St Anne's Church

The main project last year was the roof above the vestry which has been completed. They are now looking at repairing the bells and contributing to the Church Car Park repairs.

Duke's Barn

Has a wedding in July which they would like to forewarn the village about. This has been emailed around.
