He wondered if some grit could be provided to help keep the road clear for his tankers. Clerk will email DCC.
  - Chatsworth Christmas Market traffic issues will be discussed at the wash up meeting when it is set. Please report any issues to the Clerk.

- East Midlands: Peak Partnership Summit – 19<sup>th</sup> November – Discussed under Mayor's Transport Plan.

- Parish & Town Council Liaison Forum – 8<sup>th</sup> December – No one attended.
- Wild beaver reintroduction consultation – 12<sup>th</sup> January – The Clerk attended this and shared the leaflets she picked up. An interesting project looking at the potential of releasing Beavers on the tributaries to the Derwent. This is very much in the investigation stage and Derbyshire Wildlife Trust would like to hear everyone's views and are holding a number of events including at the DALC January Forum. Chatsworth are running an event with them on 20<sup>th</sup> January for Tenant farmers.
- Peak Cluster Phase 1 Consultation – 13<sup>th</sup> January – Cllr Mills listened to it online. Not going to affect Beeley Parish but an interesting project. To remove the Carbon Dioxide emissions.
